

WHAT'S YOUR DESIGN EXPRESSION?

IN CONTROL.

Clean and Contemporary, Bold and Adventurous, Industrial and Edgy. Maximize the impact of your design with a C-Bus home automation system.

Simple and consistent control of technology within the home: Lights, music, home cinema, temperature, security, blinds and curtains; with the flexibility to

customize your project to suit your client's needs. No matter what your design expression, with C-Bus, you're in control.
